

FIGARO Trail Commission Processing

About the course

The purpose of this course is to provide delegates with an overview of trail commission configuration and processing and how it is achieved within Figaro. The course is based on everyday scenarios and includes a hands-on element using a generic FIGARO system.

Course Objectives

On completing the course, the successful delegate where relevant, will be able to:

- Understand trail commission rate configuration.
- Create, manage and post trail commission posting requests.
- Configure trail commission account postings.
- Configure trail commission sharing.

Who should attend the course?

- This course is designed for compliance officers and operations managers who already possess a basic knowledge of FIGARO Back Office.
- It is suitable for new users of the trail commission system.

Course Prerequisites

Delegates should have basic knowledge of MS Windows and iSeries terminal emulation (green screen).

Course Content

- Trail commission configuration
- Trail commission request management
- Posting trail commission requests
- Configuring trail commission posting accounts.
- Review of session
